The £10 voucher for attendance raffle has begun again, with all 100% attendees this week being added for the Easter draw.

Neverland's Big Bang!

Neverland's enquiry-based learning for their geography topic this term is "What makes a capital city?" The children went on a 'trip' to London. The children visited the landmarks, matched the names of the landmarks to pictures and then enjoyed some Afternoon High Tea food and drinks.

EYFS's Big Bang!

This term children in Enchanted Forest are learning through the topic of dinosaurs. Today, the children were Palaeontologists! They engaged in various activities including fossil hunting, finding dinosaur eggs hidden in the outdoor classroom and even exploring dinosaur poo! Arlo and Alice identified the diet of a dinosaur by looking at their poo. Arlo explained, "this dinosaur was a herbivore because I can see grass and seeds." "This one was a carnivore because I can see bones," explained Alice. Elsie was so pleased she found a fossil. Louie said it was his "best day ever!"

What super scientists!
