## **Statement of intent**

Caythorpe Primary School believes that in order to facilitate teaching and learning, good attendance is essential. Pupils cannot achieve their full potential if they do not regularly attend school.

We are committed to:

- Ensuring parents follow the framework set in section 7 of the Education Act 1996, which states that the parent of every child of compulsory school age shall cause them to receive efficient full-time education suitable to their age, ability and aptitude, and to any SEND they may have, either by regular attendance at school or otherwise.
- Promoting and modelling good attendance behaviour.
- Ensuring equality and fairness of treatment for all.
- Implementing our policies in accordance with the Equality Act 2010.
- Early intervention and working with other agencies to ensure the health and safety of our pupils.

## **1. Legal framework**

## **2. Roles and responsibilities**

The Local Schools Board (LSB) has overall responsibility for:

- Monitoring the implementation of this policy and all relevant procedures across the school.
- Ensuring that this policy, as written, does not discriminate on any grounds, including, but not limited to, ethnicity/national origin, culture, religion, gender, disability or sexual orientation.
- Handling complaints regarding this policy as outlined in the school's Complaints Procedures Policy.
- Having regard to 'Keeping children safe in education' when making arrangements to safeguard and promote the welfare of children.
- Ensuring there is a Children Missing Education Policy in place and that this is regularly reviewed and updated.

The headteacher is responsible for:

- The day-to-day implementation and management of this policy and all relevant procedures across the school.
- Ensuring all parents are aware of the school's attendance expectations and procedures.
- Ensuring that every pupil has access to full-time education and will act as early as possible to address patterns of absence.

Staff are responsible for:

- Following this policy and ensuring pupils do so too.

- Ensuring this policy is implemented fairly and consistently.
- Modelling good attendance behaviour.
- Using their professional judgement and knowledge of individual pupils to inform decisions as to whether any welfare concerns should be escalated.
- Where designated, taking the attendance register at the relevant times during the school day.

The attendance champion is responsible for informing the LA of any pupil being deleted from the admission and attendance registers if they:

- Are being educated from home.
- No longer live within a reasonable distance of the registered school.
- Have an authorised medical note.
- Have been permanently excluded.

Parents are responsible for:

- Providing accurate and up-to-date contact details.
- Providing the school with more than one emergency contact number.
- Updating the school if their details change.
- The attendance of their children at school.
- Promoting good attendance with their children.

### 3. Definitions

The following definitions apply for the purposes of this policy:

**Absence:**

- Arrival at school after the register has closed
- Not attending school for any reason

**Authorised absence:**

- An absence for sickness for which the school has granted leave
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave
- Religious or cultural observances for which the school has granted leave
- An absence due to a family emergency

**Unauthorised absence:**

- Parents keeping children off school unnecessarily or without reason
- Truancy before or during the school day
- Absences which have never been properly explained
- Arrival at school after the register has closed
- Absence due to shopping, looking after other children, or birthdays
- Absence due to day trips and holidays in term-time, which have not been agreed
- Leaving school for no reason during the day

**Persistent absenteeism:**

- Missing 10 percent or more of schooling across the year for any reason

### 4. Training of staff

The school will recognise that early intervention can prevent poor attendance. As such, staff will receive training in identifying potentially at-risk pupils as part of their induction and refresher training.

Teachers and support staff will receive training on this policy as part of their induction. Following this initial training, staff will receive regular and ongoing training as part of their development.

Staff will receive training to ensure they understand that increased absence from school could indicate a safeguarding concern, and know how such concerns should be managed.

## **5. Pupils at risk of persistent absence (PA)**

The school will ensure it provides support to pupils at risk of persistent absence (PA), in conjunction with all relevant external authorities, where necessary.

The SLT will:

- Establish a range of interventions to address barriers to attendance.
- Monitor the implementation and quality of escalation procedures and seek robust evidence of the escalation procedures that work.
- Attend or lead attendance reviews in line with escalation procedures.
- Establish robust escalation procedures which will be initiated before absence becomes a problem by:
  - Sending letters to parents.
  - Having a termly attendance review.
  - Using fixed penalty notices.
  - Supporting attendance clinics with the Pastoral Team.

The LSB will engage in attendance panels to reinforce messages and outline relevance in terms of training and employment.

Where a pupil at risk of PA is also at increased risk of harm, the school will work in conjunction with all relevant authorities, e.g. social services, to support the pupil in line with the school's duty of care.

Where a pupil becomes at risk of PA, the school will:

- Welcome pupils back following any absence and provide catch-up support to build confidence and bridge gaps.
- Meet with pupils to discuss patterns of absence, barriers to attendance, and any other problems they may be having.
- Establish plans to remove barriers and provide additional support.
- Make regular contact with families to discuss progress.
- Consider what support for re-engagement might be needed, including for vulnerable groups.

The school attendance system will be used to give an accurate and informative view of attendance, reasons for absence and patterns within groups, including:

- Children in need
- LAC
- Pupils who are eligible for FSM

- Pupils with EAL
- Pupils with SEND

## **6. Absence procedures**

Parents will be required to contact the school office via telephone as soon as possible on the first day of their child's absence. Alternatively, parents may call into school and report to the school office.

A telephone call will be made to the parent of any pupil who has not reported their child's absence on the first day that they do not attend school. Reasons for absence will be noted in the electronic register for each day the pupil is off school.

The school will always follow up any absences in order to:

- Ascertain the reason for the absence.
- Ensure the proper safeguarding action is being taken.
- Identify whether the absence is authorised or not.
- Identify the correct code to use to enter the data onto the school system.

If a pupil's attendance drops below **85 percent**, a formal meeting will be arranged with the pupil's parent.

## **7. Parental involvement**

The school will build respectful relationships with parents and families to ensure their trust and engagement. Open and honest communication will be maintained with pupils and their families about the expectations of school life, attendance and performance so that they understand what to expect and what is expected of them. The school will liaise with other agencies working with pupils and their families to support attendance, e.g. social services.

Parents will be expected to:

- Treat staff with respect.
- Actively support the work of the school.
- Call staff for help when they need it.
- Communicate with the school about possible circumstances which may affect their child's attendance or require support.

## **8. Attendance register**

Designated staff members will take the attendance register at the start of each school day and at the start of the afternoon session using an electronic system of registration. The register is a legal document and as such can be used in a court of law (to establish a pupil's attendance or absence at a particular time on a precise day). This register will record whether pupils are:

- Present.
- Absent.
- Attending an approved educational visit.
- Unable to attend due to exceptional circumstances.

The school will use the national attendance codes to ensure attendance and absence are monitored and recorded in a consistent way.

School begins at 8.50am. Gates close at 9am. Pupils arriving after this time will enter the school via the front of the building. It is vital pupils arriving late are signed in via the electronic system in order to comply with Health and safety and Safeguarding requirements.

## **9. Attendance Champion**

If they are persistently absent, pupils will be referred to the attendance officer who will attempt to resolve the situation through a parent agreement. If the situation cannot be resolved and attendance does not improve, the attendance officer has the power to issue sanctions such as prosecutions or penalty notices to parents.

The attendance champion will monitor and analyse attendance data regularly to ensure that intervention is delivered quickly to address absence, and will provide regular reports to staff across the school to enable them to track the attendance of pupils and to implement attendance procedures.

## **10. Lateness**

The school will regard punctuality as of the utmost importance and lateness will not be tolerated. It is important that every child arrives in school on time as Phonics, English and Maths are taught at the beginning of the school day and are fundamental to a pupil's educational needs.

Pupils arriving after 9.10am will be marked with a (L) late mark. Registers close at 9.30am. Any pupils arriving after this time will be regarded absent for the full morning session even though they are present at school. We all have a responsibility to encourage punctuality.

Registers are marked at the start of the school day. Pupils will receive a late mark if they are not in their classroom by the time the register closes.

## **11. Term-time leave**

Since 1<sup>st</sup> September 2013, the law has given no entitlement to parents to take their child on holiday in term time. The school will require parents to observe the school holidays as prescribed; therefore, the headteacher will be unable to authorise holidays during term-time in most cases. The headteacher will only be allowed to grant a leave of absence in exceptional circumstances. Applications will be made in advance and the headteacher will be satisfied by the evidence which is presented, before authorising term-time leave. The headteacher will determine the amount of time a pupil can be away from school during term-time. Any leave of absence is at the discretion of the headteacher. Any requests for leave during term-time will be considered on an individual basis and the pupil's previous attendance record will be taken into account.

If parents take their child out of school during term-time without authorisation from the headteacher, they may be subject to sanctions such as penalty fines.

## **12. Leave during lunch times**

Parents may be permitted to take their child away from the school premises during lunch times with permission from the headteacher – it is at the headteacher's discretion as to whether a pupil will be allowed to leave the premises.

Where permission has been granted, the school office will include the pupil's name on the off-site register.

Parents will be required to meet their child at the school office when taking them off the premises – the pupil will be signed out and back in using the register at the school office.

The headteacher reserves the right to withdraw their permission at any time – this may occur, for example, where there are attendance concerns.

### **13. Truancy**

All staff will be actively engaged in supporting the regular attendance of pupils, and understand the importance of continuity in each pupil's learning.

All pupils are expected to be in their classes at the start of the morning and afternoon sessions, where the teacher will record the attendance electronically.

Immediate action will be taken when there are any concerns that a pupil might be truanting. If truancy is suspected, the headteacher is notified, and they will contact the parent in order to assess the reasons behind the pupil not attending school.

The DSL will be involved where an instance of truancy may be linked to a safeguarding concern. Any safeguarding concerns will be dealt with in line with the Child Protection and Safeguarding Policy.

### **14. Missing children**

Pupils will not be permitted to leave the school premises during the school day unless they have permission from the school. The following procedures will be taken in the event of a pupil going missing whilst at school:

- The member of staff who has noticed the missing pupil will inform the headteacher immediately.
- The office staff will also be informed as they will act as a point of contact for receiving information regarding the search.
- A member of staff will stay with the rest of the class, and all other available members of staff will conduct a thorough search of the school premises as directed by the headteacher.
- Available staff will begin a search of the area immediately outside of the school premises, and will take a mobile phone with them so they can be contacted.
- If the pupil has not been found after 10 minutes, then the parents of the pupil will be notified.
- The school will attempt to contact parents using the emergency contact numbers provided.
- If the parents have had no contact from the pupil, and the emergency contacts list has been exhausted, the police will be contacted.

- If the missing pupil has an allocated social worker, is a looked-after child, or has any SEND, then the appropriate personnel will be informed.
- When the pupil has been located, members of staff will care for and talk to the pupil to ensure they are safe and well.
- Parents and any other agencies will be informed immediately when the pupil has been located.

The headteacher will take the appropriate action to ensure that pupils understand they must not leave the premises, and sanctions will be issued if deemed necessary. Appropriate disciplinary procedures will be followed in accordance with the Behaviour Policy.

The headteacher will carry out a full investigation and will draw a conclusion as to how the incident occurred and policies and procedures will be reviewed in accordance with the outcome where necessary.

## **15. Religious observances**

Parents will be required to inform the school in advance if absences are required for days of religious observance.

## **16. Appointments**

As far as possible, parents will be encouraged to book medical and dental appointments outside of school hours. Where this is not possible, an appointment card will be sent to the school office.

If the appointment requires the pupil to leave during the school day, they will be signed out at the school office. Pupils will be expected to attend school before and after the appointment wherever possible.

## **17. Sport and other performances/activities**

The school will ensure that all pupils engaging in performances/activities (whether they, or another person, receives payment or not), which require them to be absent from school, understand that they will be required to obtain permission in writing from the headteacher which authorises the school's absence(s).

## **18. Young carers**

The school understands the difficulties that face young carers, and will endeavour to identify young carers at the earliest opportunity, as well as through their time at the school. A caring and flexible approach will be taken to the needs of young carers and each pupil will be examined on a case-by-case basis, involving other agencies if appropriate.

The school, in conjunction with relevant authorities, will implement support for pupils who are young carers, to encourage their sustained and regular attendance at school in line with the school's expectations.

## **19. Rewarding good attendance**

The school will acknowledge outstanding attendance through the following incentives;

- Certificate and pin star badge to collect for 100% attendance each term.
- Weekly attendance cup awarded in assembly for the class with the most attendance.
- Class prize for the class with the best attendance each term.
- Certificate from Local Authority for 100% attendance in a year.
- Letters to parents of persistent absentees if improvements are noted.

## **20. Monitoring and review procedures at Caythorpe Primary School**

Attendance and punctuality will be monitored throughout the year. The school's attendance target is 96%. Attendance levels will be discussed at parents' meetings.

Caythorpe Primary School has adopted the following attendance monitoring procedures, to ensure that pupils' attendance meets the expected standard, and effective intervention is provided where pupils' attendance falls below the standard:

1. Weekly and annual attendance is recorded on a spreadsheet – attendance is an agenda item on staff meetings and senior leadership team meetings.
2. Contact is made with parents on the first day of absence for any pupil absence not reported.
3. Contact is made to the parents of any pupils marked with an absence code.
4. If a pupil's attendance falls below the target level (normally 90 percent), a letter (Letter 1) is sent home explaining that the pupil's attendance is now being monitored, and the attendance officer will be available for parents to discuss this.
5. The pupil's attendance is monitored and, if attendance does not improve after the agreed time a second letter (Letter 2), will be sent home to further highlight the school's concerns around the child's attendance and to repeat the offer of school support to improve this.
6. After the agreed time (normally a term), a letter (Letter 3) will be sent home informing parents they are required to attend an 'Attendance Panel Meeting,' in school with the Attendance Officer and other members of SLT and Pastoral Team as appropriate. During this meeting, targets will be set for the child's attendance and appropriate support/interventions will be agreed between home and school. If parents are unwilling to cooperate, or are genuinely unable to attend, a referral may be required to the local education welfare officer (EWO), who will then conduct a home visit.
7. Monitoring and communication with the parents continues until attendance stabilises to 96 percent.
8. If targets are not met over the agreed monitoring period, and there are no improvements, a final written warning is issued by the Headteacher to the parents. If there is no improvement after an additional four weeks, a fixed-penalty notice may be issued.

Any changes made to this policy will be communicated to all relevant stakeholders
