Sports Day 2022

What fantastic weather we had for sports day!

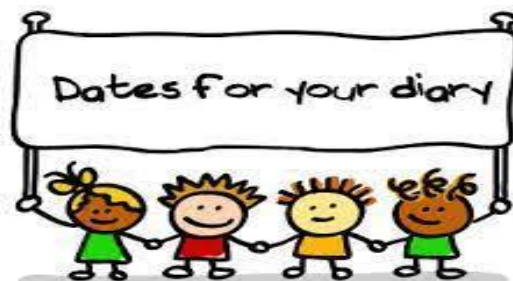

Our sports day format is designed so more children can be more active more of the time. All the children competed against their year groups in running, throwing and jumping events. We also welcomed the Pre-school to take part in the running races with the Early Years and KS1 children

Traditional race included beanbag race, egg and spoon and sack races.

Thank you to all who were able to attend. We are developing a quick survey to obtain your feedback on the event. Enchanted Forest had a pre-event practice of the egg and spoon!

Monday 20th June - Eco-Schools Pond project 3.30-5pm.

Wednesday 29th June - School Games Day

Monday 4th July - Y5/6 PGL Residential

Monday 4th July - 3.30 pm Reception intake September 2022 visit with parents

Wednesday 6th July - Y5/6 return from PGL

Wednesday 6th July - Reception intake September 2022 transition afternoon 1.15pm

Thursday 7th July - Reception intake September 2022 transition afternoon 1.15pm

Wednesday 20th July - End of Year reports to parents

Thursday 21st July - Year 6 Leavers presentation and BBQ

Friday 22nd July - End of term picnic

Sports Kit

We are still missing most of the school football kit. Unfortunately, the girls had a tournament and were not able to wear the school kit as we did not have a full kit. Please check cupboards, laundry baskets and drawers for school kit - especially the navy-blue socks and return to school as soon as possible.

Reminder

Could you ensure your child/ren does/do not bring in toys/trading cards/Pokemon cards into school. Some of the children are bringing in items and giving them to other children (usually younger children) who then become upset when the items need to be returned.

Thank you for your understanding.

Caythorpe Gala

The Caythorpe Gala is being held on the 3rd September 2022 between 12-4pm. Laura Leeds and Carole Atkinson have loved the Gala since they were little and at Caythorpe Primary School themselves. In fact, they loved it so much, they now organise the event.

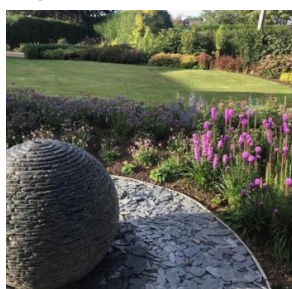

They are asking if anyone could donate an hour or two of their time to either help man a stall, help with set-up in the morning or help pack away at the end, it would be very much appreciated! They would not take all of your time, after all, you still need to enjoy the event yourselves.

If you think you can help or if you just want to have a chat about it to see if it's for you, please contact us on caythorpegala@gmail.com

Garden Open Days 2022

Tim and Carol Almond would like to extend their thanks to all those who attended their open gardens event last Saturday. The event raised £900 for charities.

The scarecrow competition was a close vote, however this year's winner was Mr Moose created by Key Stage 2! I think it was the shirt which swayed voters!

FSA Tea Towel

Don't forget to purchase your Caythorpe Primary School Platinum Jubilee Commemorative Tea Towel.

£5 each or £8 for 2 or £12 for 3

Available from the school office or Fridays after school at the outdoor classroom.

Sun Safety

The sun has got his hat on! While we have been awaiting the arrival of some sunshine for a while, children can be susceptible to the sun. Please make sure your child has a drinks bottle and a sun hat. Please could you apply sun cream before the children come to school and if a top up is needed children may bring sun cream into school if they are able to apply it themselves at breaktimes.

Hogwarts start their topic with a Big Bang

Hogwarts topic for the term is "How can we beat climate change.

To start the topic the children have been taking part in the project 'Beat the Flood'. Their challenge was to build a strong, waterproof home that would be able to withstand torrential rain and a flood. The children co-operated brilliantly in their teams and gave clear explanations for the purpose of each element of their houses. We then tested the children's designs using a simulated flood.
