Dear Parents/Carers,

I am sure that you are all aware of the changes in advice, with regard to covid, issued by the government this week. I am writing to let you know about changes that will be made at Caythorpe School and the possible impact on future events.

As of this week we will be changing our protocols as follows:

- All visitors who do not usually work at the school will be required to wear a mask in line with the school's risk assessment
- Staff will wear masks as they move around corridors and communal areas in school
- Should any member of the school community contract the new variant (Omicron) then all close contacts will be required to isolate for 10 days
- If parents are entering the school building at any time they will be required to wear a mask.

Whilst we are intending to continue with all activities that have been planned, it may be necessary to cancel these should we experience an outbreak or receive new advice from local or national government. We hope to be able to continue with planned trips, performances and other events but will be assessing each activity as they approach.

I would like to take this opportunity to thank all of the staff at each of our schools for the amazing work that they have undertaken during the pandemic.

Yours sincerely,

Paul Hill

Director of Education
