*To be reviewed: September 2024*

## ***Intent***

### ***Reading***

*At Caythorpe Primary School, we value reading as a key life skill and aim to encourage children to become lifelong readers. Through a systematic, synthetic phonics scheme, we give children the skills of decoding and blending in order to become fluent readers. Regular reading practice sessions will provide children with the skills, knowledge and confidence to comprehend texts. Children and parents will be encouraged to broaden their range of text types and read books for pleasure as well as for academic progress.*

### ***Writing***

*At Caythorpe Primary School, we teach writing by using a range of stimuli to engage children in a range of writing genres. We aim to help them identify features and apply these to their own work whilst considering the purpose and target audience. We place an important emphasis on proof reading, editing and improving writing to promote children's sense of ownership and achievement within their creations.*

## ***Successes from 2022 – 23***

- 100% pass rate in Phonics Screening Check!
- Bronze Lincolnshire Reading Pledge Award earned.
- Huge improvements in Phonics teaching.
- Majority of pupils engaged in reading hexagons as a reward for reading.
