Music Curriculum - Year 5 and 6- Cycle A

Our schemes of work are also aligned with the Department for Education document "Model Music Curriculum which can be found at

Pedagogy - The Music curriculum within our schools is based upon 7 key areas of knowledge – listening/appraising, the dimensions of music, signing, playing, improvising, composing and performing. Each aspect of music is covered within all year groups except for the EYFS (where we cover 4 of the 7 areas explicitly). Rather than simply covering knowledge and then moving on, the scheme seeks to ensure that the correct knowledge is introduced in the age appropriate year group. All knowledge is then repeated and most embedded (covered for a third time) prior to the pupils beginning their next stage of education in Year 7.

Subject Content National Curriculum

Key stage 1
