## Staffing Update

As from Monday 21<sup>st</sup> February, after the half term break, Mr Reece Murphy will be joining the Caythorpe team. Mr Murphy's role will be as a senior teacher within the school and he will be a member of the school leadership team. He is an experienced teacher particularly in maths, science and technology.

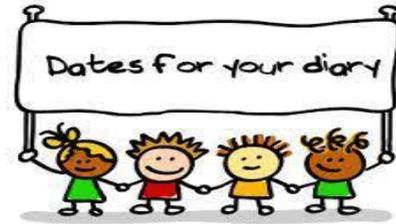

Mr Murphy will be teaching within Hogwarts with Mrs Bennett, which will enable focused and specific teaching to the year 5 and 6 pupils.

## Football Finals

On Thursday our football team travelled to the edge of the county to Skegness to compete in the Lincolnshire County Small Schools tournament.

Unfortunately, Caythorpe's dreams of reaching the regional finals came to an end. After a valiant effort, the boys placed 3rd overall in the tournament. They should be extremely proud of what they've achieved together. Not only are they unbeaten in the league but they've already been crowned as the best small school in this district. They have won together, showing respect for their opponents, and they have lost together as a team with their heads held high. I am so proud of how the boys have represented the school in competitions this academic year. We are now focussing on the league and any other tournament opportunities. Well done to Caythorpe football team!

## KS1 Dodgeball

Last week Tom from Carres Grammar Outreach visited to introduce some of our year 1 and 2 children to the game of dodgeball. This was a change to our planned activity with other schools to reduce the risk of the spread of Covid. Dodgeball is an exciting game in which players on two teams try to throw soft sponge like balls to hit opponents, while avoiding being hit themselves. The objective is to eliminate all members of the opposing team by hitting them with thrown balls, catching a ball thrown by an opponent.
