SUPPORTING LEARNING IN THE HOME

MONDAY 13TH MAY 7PM - 8PM

A free, online workshop, sharing strategies to support learning.
Open to all parents who would like ideas on supporting their child(ren) with reading, spelling, maths, memory and organisation.
The workshop is aimed at supporting children from Reception to Key Stage 3 who have cognition and learning difficulties, although parents/carers of older children may wish to attend.

Sign up to LPCF on the sign up page of the website.
Book on the Events page.
www.lincspcf.org.uk

Summer Fair Donations

We are starting to collect donations of prizes for the raffle and tombola for the Summer Fair to be held on Saturday 13th July. For example toiletries, games, books, toys and other household items.

We will be holding a non-uniform day on Friday 28th June to collect further donations.

If you or anyone you know are interested in holding a stall for a £10 donation, please let a member of staff know.

There are times your child may display a change in behaviour. We believe all behaviour is communication. Unfortunately, children and young people don't come with a manual and it is often hard to know what course of action is best when your child's behaviour changes and you start to worry about them.

At [Lincolnshire NHS Partnership website](https://www.lpft.nhs.uk/young-people/lincolnshire/parents-and-carers/how-can-i-help-my-child), you can find lots of information, videos and guides to help parents and carers find the support they need.

- [Building Positive Self-esteem Workshop](#)
- [Exam Success Workshop](#)

Well done to Narnia for their attendance of 97% last week. Attending school regularly and arriving on time really does make such a difference to their learning outcomes.

Whole school attendance was 94.6%. This is below the national expectations of 96%.

Childcare Parent/Carer Survey

Lincolnshire County Council are undertaking a parental survey to assess the need for childcare across Lincolnshire. This is part of a wider annual assessment of the Childcare Sufficiency in Lincolnshire, where childcare providers are also consulted. They would like to hear your views on childcare in the county.

<https://www.letstalk.lincolnshire.gov.uk/childcaresurvey2024>

The survey closes 14 May 2024

Narnia's Big Bang

This term's enquiry question Narnia are investigating is "Where in the World is Caythorpe?"

For their Big Bang the class played a game called "The Race to the North Pole". The children worked in groups to see who could be first to the North Pole, along their journey they had to collect passport stamps for every question they answered correctly.

Throughout the topic of learning, the children will be finding out about the hemispheres and the positions of and significance of the tropics of Cancer, Capricorn and the equator.
