Starting School

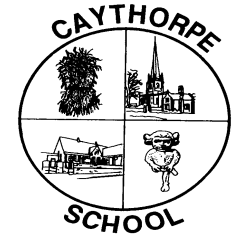

Starting school is an important milestone for both you and your child. Our aim is to provide a relaxed and stimulating setting where children feel happy, safe and cared for.

- The first visit (4th July after school) is an opportunity for the parents and children to meet Miss Cook and have a look around the school.
- The other visits (Wednesday 6th and Thursday 7th) provide an opportunity for children to stay at school independently, to familiarise themselves with the classroom and begin to make new friends and to meet the staff. Children should **arrive at school at 1:15pm and be collected at 3:15pm.**
- The autumn term starts on Wednesday 6th September when the children will start full time.

Transport

If you live more than two miles from the school and we are your nearest school you may be eligible for free transport through Lincolnshire County Council. Please ask for more information.

First Aid

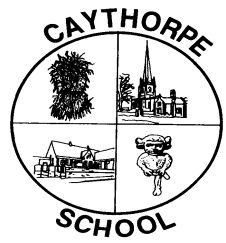

- All staff are qualified in basic first aid and able to deal with the occasional accident. As part of the requirements for the Early Years, Miss Cook and Mrs Elmes are Paediatric First Aiders along with other members of staff.
- Your child will be sent home with a letter informing you of the circumstances in which the accident occurred and what First Aid has taken place if they have a mark or a head injury.
- If it is more serious you will be contacted immediately, so it is vital that we are kept informed of any changes to contact details.

Parental Help in School

If you would like to volunteer to help in school then we would be delighted to have you!

Early Years Foundation Stage Curriculum

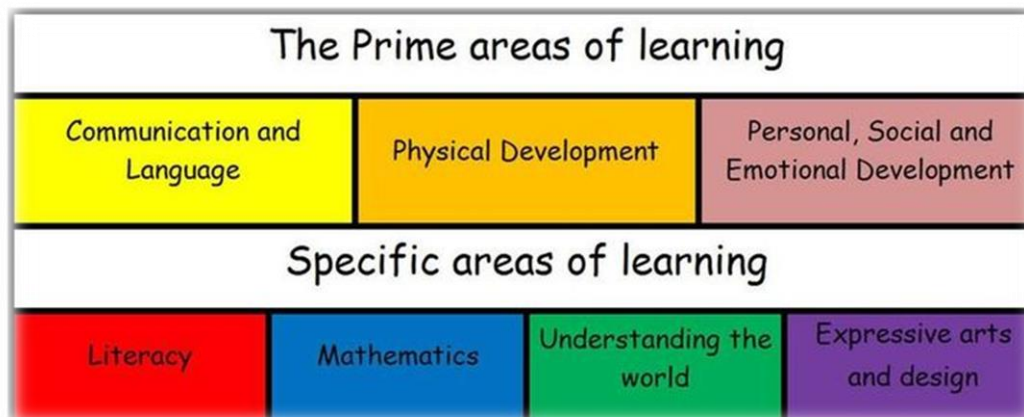

Schools are required to follow the Early Years Foundation Stage Curriculum (EYFS) during the Reception year.

The children's learning is achieved through carefully planned activities linked to the objectives in the EYFS Curriculum. These activities are very practical and enable children to learn through exciting first hand experiences within the provision.

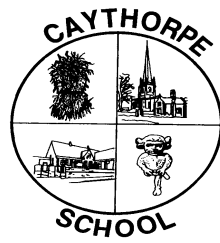

The EYFS Curriculum is split into the following 7 areas of learning:

Phonics

We're teaching every child to read with Little Wandle Letters and Sounds Revised

A complete SSP validated by the Department for Education

Monitoring Progress

The children are assessed throughout the year, through observations and on-going assessments gained during the normal day-to-day activities. As a school we use 'Tapestry' which is an online journal where all the learning and fun of children's early years education is recorded.

Parents are always welcome to make an appointment to discuss any worries or problems.

Certificates

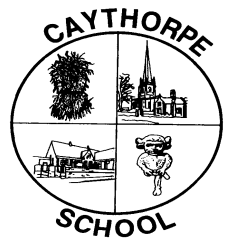

At the end of each week we have a celebration assembly and they may be chosen to receive a 'Work to be proud of certificate'

Children can also earn a Headteacher's award which is given to a child who has worked especially hard or demonstrated the school's Golden Values.
