

EYFS - Personal, Social and Emotional Development

Children’s personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives, and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world. Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others. Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peacefully. These attributes will provide a secure platform from which children can achieve at school and in later life.

Personal, Social and Emotional Development ELG: Self-Regulation

Children at the expected level of development will: - Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly; - Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate; - Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.

ELG: Managing Self

Children at the expected level of development will: - Be confident to try new activities and show independence, resilience and perseverance in the face of challenge; - Explain the reasons for rules, know right from wrong and try to behave accordingly; - Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.

ELG: Building Relationships

Children at the expected level of development will: - Work and play cooperatively and take turns with others; - Form positive attachments to adults and friendships with peers; - Show sensitivity to their own and to others’ needs.

Non- Negotiables

- Each session will be relevant to class
- **Alert any new parents to the content of “Changing Me” and the school’s approach as outlined in the school’s Relationships and Sex Education policy.**

The Jigsaw Charter – We take turns to speak. WE use kind positive words. We listen to each other. WE have the right to pass. WE only use names when giving compliments or being positive. We respect each other’s’ privacy (confidentiality). [\(See Intro to Jigsaw\)](#)

The development of self-awareness, social skills, managing feelings, motivation and empathy is contributed to in every Piece. [\(see emotional literacy mapping document\)](#)
